

“

**We are fanatical about providing quality first aid education!”**

## **SAFETY TRAINING...**

# **GIVING YOU THE SKILLS TO ACT IMMEDIATELY!**

Ounce of Prevention Safety Services is one of the fastest growing agencies for first aid training.

Our unique delivery, attention to detail and excellent customer service is what makes us stand apart from others.

We offer courses that enable you, your employee, and/or your family and friends to stay safe and in times of need, to respond and treat with confidence. Courses are available both in person and online, and can be fully customized to better serve your needs.
